

**St. David Catholic Secondary School
Proposed School Fees and Fundraising
School Year: 2014/2015**

NOTE: This fundraising and fee schedule is designed to assist parents in planning for upcoming costs during the current school year. Additional funds may be collected throughout the school year for other events and activities such as educational excursions. Due to unforeseen changes in costs, some fees may be subject to change at the time of collection if the costs change significantly from the time of this schedule. Families experiencing financial hardships will have access to subsidies to cover some/all school fees. If you have any questions regarding any of the planned fundraising or fees listed below or require further information, please contact the School Principal.
