

ST. DAVID CATHOLIC SECONDARY SCHOOL FINAL EVALUATION SCHEDULE January 27th – February 1st

The Waterloo Catholic District School Board has made a change to the final assessment practices. Teachers will provide information regarding their plans for final assessment.

Depending on the grade and the nature of the course, the final assessment could be a traditional exam or a course culminating activity that will require them to be present for one or more days during the Final Evaluation Dates in January and February.

Grade 9 and 10 courses will **not** have a formal exam, but there may be a culminating activity that will be written during the final evaluation dates.

Formal exams will only be written in **some** Grade 11 and 12 courses. Whether or not there will be a final exam will be up to the teacher and based on whether a formal exam is deemed the most appropriate way for students to demonstrate their learning.

It is mandatory for students who are achieving **below 50%** to attend school during the final evaluation days so they can complete outstanding work/demonstrate course expectations. Their teacher will communicate with you and your child if attendance is required during the morning evaluation period.

Important Dates:

- January 27th – Feb 1st Final Evaluations/Credit Rescue
- Feb 2nd – inclement weather day, if needed
- Feb 3rd – PD Day
- Feb 6th – First day of Semester 2

Inclement Weather/Buses:
