

Sheltering Hearts: A Home for Everyone.

Your school will have the chance to raise money
to build a shelter for those who need it most.

"I'm relaxed. I'm happy. I'm at home."

"Even though it's a tiny house,
it's a home. People take pride in it."

"Giving someone hope.
It's amazing what it can do."

"There's a lot of freedom here.
There's a lot of forgiveness here."

"If I had a tiny house, I would
have a home, security, and the
strength to take on life again."

"Finding affordable rent was
my problem. I wish I was able
to have a place I can call home."

"Sometimes you just give up
and this gives you a bit more hope."

"I always know I can
come here and feel safe."

"You have no idea what a
tiny little place could
mean to somebody."

"I just want to say thank you
to those who donate
without judgement."
