## **CONVOCATION FEES**

**A \$100 convocation fee can be paid via School Cash Online before March 13th.** If you are in need of financial assistance please reach out to your students' guidance counselor. We want to ensure all students are celebrated at this event. The fee covers any cost associated with the convocation ceremony including your cap and gown as well as tickets for the ceremony.

## TICKETS

All guests attending the convocation require a ticket to enter the facility, graduates do not require a ticket. Centre in the Square doesn't permit general admission seating so all tickets will have an assigned seat. When you pay your convocation fee you will be asked how many tickets you require for the event up to a **maximum of 5 guests**. We cannot guarantee that extra tickets will be available, but if there are we will send out a message at the beginning of April. Tickets will be distributed the first week of June. Tickets/seating will be assigned in order of fee payment.

## GOWN PICK-UP

If you have paid your convocation fee you have ordered your gown. Gowns will arrive at St. David the first week of June. Students will receive their gowns in their homeroom class or pick them up during lunch in the cafeteria.
